Class Description: This class is designed to equip students in grades 6th - 12th with practical skills and knowledge to thrive in everyday life and prepare for future responsibilities. Through hands-on activities and real-world applications, students will learn essential skills such as budgeting, time management, goal setting, healthy communication, and decision-making.

They will explore topics like personal finance, basic cooking, vehicle maintenance, possible career paths and occasional small field trips to local businesses within walking distance of TFAI. By the end of the semester, students will have a toolkit of skills that foster independence, resilience and confidence to navigate both personal and academic challenges.
