Class Description: In this course your child will learn the Fundamentals of Ballet, Tap, and Jazz. The music in this class will primarily be classical, Disney melodies, and kids-bop.

- Ballet: the Foundation of all dances; they will learn strength, technique, endurance, flexibility, discipline.
- Tap: a form of dance that focuses on rhythm, sound, percussion, and footwork
- Jazz: a high energy form of dance that enhances endurance and cultivates creativity.

Parents are welcome to observe the first class, but we do ask that you wait in the lobby for the remainder of the semester. Your child is REQUIRED to always have their hair away from their face and please bring your own water.

There will be a performance at the end of the semester, and I ask that you confirm your participation by February 12.
