Students will work together to create their own 15–30 minute sketch comedy video show that will be uploaded to <https://www.youtube.com/@LightsCameraActionClass>. From the name of the show to the theme song, writing comedy sketches, acting, filming, and editing to the ending credits these students will do it all together. The class will wrap up in December 2024 with an Oscar’s style “Premier Red Carpet Awards and Viewing Party” for parents and friends in early January!
